

# If my child is experiencing these symptoms:

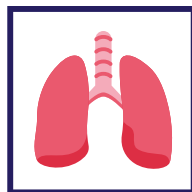

Fever  $>100.3$   
degrees

Cough

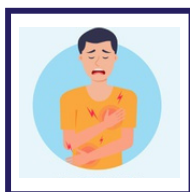

Runny nose

Trouble  
breathing

Sore throat

Muscle ache

## You should:

Call your KCI center right away and ask for the Center Director to let us know your child can't pass the morning daily screening

East: (907) 272-0133  
Muldoon: (907) 333-5433  
Ridgeline: (907) 334-1040

Your child will need the following to come back to class:

1 negative Covid-19 test result and to be symptom free  
or

To quarantine for 10 days since the symptoms started and to be symptom free.

## Should I get my child tested due to a common cold or flu symptom?

We encourage our families to get tested even if you or your child has only one symptom. Getting tested could help slow the spread of Covid-19 in our community. 👍
