Report on the Financial Statements

We have audited the accompanying financial statements of Kids' Corps, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements, of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kids' Corps, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Additional Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying additional supplementary information as listed in the Table of Contents, which includes the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, the Schedule of State Financial Assistance, as required by *the State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, and the Schedules of Revenue and Expenses – Budget and Actual for the Head Start State Grant HS 19.078.01 and Parents as Teachers Grant PA 19.078.01 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2020 on our consideration of Kids' Corps, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Kids' Corps, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Kids' Corps, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements
June 30, 2019 and 2018

Note 1 **Summary of Significant Accounting Policies**

Nature of Operations

Kids' Corps, Inc. (KCI) was incorporated under the laws of the State of Alaska as a non-profit organization in 1987. KCI currently operates Head Start programs in eight locations in Anchorage.

Basis of Presentation

The accounting records of KCI are maintained on an accrual basis of accounting under which revenues are recognized when earned and expenses when incurred.

Classification of Net Assets

KCI reports information regarding its financial position and activities according to GAAP. Under GAAP, net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Kids' Corps, Inc.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Accordingly, actual results could differ from those estimates.

Public Support and Revenue

Contributions and Promises to Give

Unconditional promises to give cash and other assets to KCI are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at the fair value at the date the gift is received. The gifts are reported as with donor restrictions support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the Statements of Activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are reported as contributions without donor restrictions in the accompanying financial statements. KCI had \$52,600 and \$49,949 in promises to give receivable at June 30, 2019 and 2018 respectively.

Grants

KCI receives a significant portion of its operating revenue from federal and state grants. Income from grants is recognized to the extent of allowable costs incurred. Expenses in excess of cash receipts are reflected as grants receivable in the financial statements.

Child Care Fees

Child care fees represent funds from the State of Alaska, parents and other sources to provide extended day care services to children.

Kids' Corps, Inc.

Notes to Financial Statements, Continued

Anchorage School District Contract

Revenues received for providing comprehensive speech language services.

Donated Services and Materials

Donated services are recognized as contributions in accordance with FASB ASC 958, Accounting for Contributions Received and Contributions Made, if the services (1) create or enhance nonfinancial assets or (2) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the KCI. In-kind contributions for space, supplies, and professional services are recorded in the Statements of Activities at market value and recognized as revenue and expenses in the period they are received, except for donated equipment, which is recorded as revenue in the period received and the asset is depreciated over its estimated useful life.

Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the KCI considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounts and Grants Receivable

Accounts and grants receivable are recorded on the accrual basis when the goods and services are billed. KCI records an allowance for doubtful accounts for the estimated uncollectible portion of the accounts receivable. This estimate is based on management's historical collection experience and a review of current accounts receivable. Receivables are charged off when all collection efforts have been exhausted.

Grant receivables from the State and Federal government were all deemed collectible; therefore management has not established an allowance for doubtful accounts on these receivables.

Prepaid Items

Payments made to vendors for services that will benefit periods beyond June 30 year end, are recorded as prepaid expenses.

Kids' Corps, Inc.

Notes to Financial Statements, Continued

Property and Equipment

Property and equipment are recorded at cost and depreciated using the straight-line method over the estimated useful life of the asset. Estimated useful lives are; buildings and improvements – 15 to 30 years, vehicles, furniture and equipment – 5 to 7 years. KCI capitalizes property and equipment purchased with a cost greater than \$5,000 and a useful life of more than one year. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose.

Property and equipment purchased with grant funds are owned by KCI while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations. KCI does not report assets acquired with grant monies designated for property and equipment as assets with donor restrictions. KCI considers the restrictions fulfilled when the asset is acquired.

Income Taxes

KCI is a non-profit corporation exempt from income taxation under Section 501 (c) (3) of the Internal Revenue Code.

Although KCI is exempt from income taxes, income derived from unrelated business income, if any, is subject to the requirements of filing Federal Income Tax Form 990-T and a tax liability may be determined on these activities. The KCI had no income derived from unrelated business activities as of June 30, 2019 and 2018.

KCI's policy is to report interest and penalties associated with tax contingencies as interest expense and other expense, respectively. As of June 30, 2019 and 2018, there were no accrued interest or penalties related to tax contingencies. As of June 30, 2019 and 2018, there were no uncertain tax positions or unrecognized tax benefits for which management believes it is reasonably possible that the total amounts of tax contingencies will significantly increase or decrease within 12 months of the reporting date. KCI files tax returns in the U.S. Federal Jurisdiction and the State of Alaska. As of 2019, the tax years that remain subject to examination begin with 2016.

Kids' Corps, Inc.

Notes to Financial Statements, Continued

Unearned Revenue

Unearned revenue represent amounts for which asset recognition criteria have been met, but for which revenue recognition criteria have not been met.

Advertising

Advertising costs of KCI are expensed as incurred. Advertising expense was \$3,065 and \$4,866 for the years ended June 30, 2019 and 2018, respectively.

Allocation of Costs

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Activities and in the Schedule of Functional Expenses. The allocation of costs among the various programs and supporting services benefited is based on estimates made by management.

Fair Value of Financial Instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique.

The following financial statements instruments are recorded at fair value or at amounts that approximate fair value: (1) cash and cash equivalents (2) receivables, net (3) certain other current assets and (4) accounts payable and (5) other current liabilities. The carrying amounts reported in the statements of financial position for the above financial instruments closely approximates their fair value due to the short term nature of these assets and liabilities.

Note 2

Cash and Cash Equivalents / Concentration of Credit Risk

KCI maintains its cash balances at one financial institution. Accounts at this institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2019 and 2018, the bank balances were not in excess of FDIC coverage, respectively.

Rental expense under these leases was \$454,594 and \$454,958 for the years ended June 30, 2019 and 2018, respectively.

Note 7 **Retirement Plan**

KCI has a defined contribution retirement plan authorized under Section 401(k) of the Internal Revenue Code. The plan is open to all employees who have worked for KCI a minimum of 90 days. KCI has the option to match employee contributions at a rate of 50% of employee contributions up to 6% of the employee's annual salary. KCI's contributions vest over six years of service. KCI's contributions for the years ended June 30, 2019 and 2018 were \$26,661 and \$33,267, respectively.

Note 8 **Donated Services**

The fair value of donated services and supplies included as contributions (in-kind revenue) in the financial statements and the corresponding program expenses (contractual expenses) were for office space and supplies in the amount of \$39,097 and \$36,456, for the years ended June 30, 2019 and 2018, respectively. These donations were expensed in the Head Start Program.

Kids' Corps, Inc.

Note 9 **Description of Program and Supporting Services**

Program services:

Head Start – provides a comprehensive program for low income families with children between 3-5 years of age.

Early Head Start – provides a comprehensive program for low income families with infants, toddlers and pregnant women.

Parents as Teachers – provides support to parents for their children's education.

Supporting Services:

Administration – Includes the functions necessary to maintain an adequate working environment; provide coordination of the Organization's programs; secure proper administrative functioning of the Board of Directors; and manage the financial and budgetary responsibilities of the Organization.

Note 10 **Net Assets With Donor Restrictions**

Net assets with donor restrictions at June 30 were comprised of the following grants with time restrictions as to use:

		<u>2019</u>	<u>2018</u>
United Way Grant	\$	<u>52,600</u>	<u>49,949</u>

Time restricted grants were released from restrictions for the years ending June 30, 2019 and 2018 in the amounts of \$49,949 and \$47,994, respectively.

Note 11 **Economic Dependency**

KCI received approximately 62% and 66% of its total revenue from the U.S. Department of Health and Human Services (DHHS) for fiscal years ended June 30, 2019 and 2018, respectively.

Note 12 **Functionalized Expenses**

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization, which are

Kids' Corps, Inc.

Notes to Financial Statements, Continued

allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, interest, insurance, and other, which are allocated on the basis of estimates of time and effort.

Note 13 Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications related to the implementation of FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities and adjusted the presentation of net assets. The reclassifications had no impact on previously reported net assets.

Note 14 Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$ 73,851
Accounts and grants receivable	<u>465,069</u>
Total	\$ <u>538,920</u>

As a part of our liquidity management plan, the organization retains cash in excess of daily requirements to use in current and upcoming programs and projects

Note 15 Subsequent Events

Management has evaluated subsequent events through January 28, 2020, the date which the financial statements were available for issue. No events were identified that would require disclosure according to generally accepted accounting principles.

Notes To Schedule:

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Kids' Corps, Inc. under programs of the federal government for the year ended June 30, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Kids' Corps, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Kids' Corps, Inc.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Kids' Corps, Inc. has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

Note 3. Subrecipients

No amounts were passed through to subrecipients.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Independent Auditor's Report

Members of the Board of Directors
Kids' Corps, Inc.
Anchorage, Alaska

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Kids' Corps, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 28, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Kids' Corps, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Kids' Corps, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Kids' Corps, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Members of the Board of Directors
Kids' Corps, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Kids' Corps, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance For Each Major Federal Program and Report on Internal Control
Over Compliance Required by the Uniform Guidance**

Independent Auditor's Report

Members of the Board of Directors
Kids' Corps, Inc.
Anchorage, Alaska

Report on Compliance for Each Major Federal Program

We have audited Kids' Corps, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Kids' Corps, Inc.'s major federal programs for the year ended June 30, 2019. Kids' Corps, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying Federal Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Kids' Corps, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Kids' Corps, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Kids' Corps, Inc.'s compliance.

Members of the Board of Directors
Kids' Corps, Inc.

Opinion on Each Major Federal Program

In our opinion, Kids' Corps, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of Kids' Corps, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Kids' Corps, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Kids' Corps, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Compliance for Each Major State Program

We have audited Kids' Corps, Inc.'s compliance with the types of compliance requirements described in the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* that could have a direct and material effect on each of Kids' Corps, Inc.'s major state programs for the year ended June 30, 2019. Kids' Corps, Inc.'s major state programs are identified in the accompanying Schedule of State Financial Assistance.

Management's Responsibility

Management is responsible for compliance with the state statutes, regulations, and the terms and conditions of its state awards applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Kids' Corps, Inc.'s major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. Those standards and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about Kids' Corps, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state program. However our audit does not provide a legal determination of Kids' Corps, Inc.'s compliance.

Members of the Board of Directors
Kids' Corps, Inc.

Opinion on Each Major State Program

In our opinion, Kids' Corps, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of Kids' Corps, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Kids' Corps, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Kids' Corps, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.
